Terms and conditions

Please note the following terms and conditions before filling in the Session Proposal Form.

Submitting a proposal

We will be in contact via email towards the end of October 2019 to let you know if your proposed session will be included in the conference programme and to ask for further information for the conference programme. Please be aware that a submission does not guarantee a place.

Funding and additional presenters

The Historical Association is a charity and therefore is only in a position to fund expenses for one presenter per session as standard. This includes a waiver of your fees to attend the conference and reimbursement of travel expenses to Bristol up to a maximum of **£50.00**. Please be aware that the following stipulations apply:-

- For those speaking on behalf of **organisations**: The HA will cover your conference fees to attend both days of the conference. Your organisation is expected to fund your travel, accommodation and place at Annual Dinner (should you wish to attend).
- For those in **higher education**: The HA will cover your conference fees to attend both days of the conference. We would be grateful if you could approach your university to cover your travel and accommodation costs as part of their outreach and impact agenda.
- For those in **school** or **freelance**: The HA will cover your conference fees to attend both days of the conference. Funding will include travel expenses up to £50.00. If necessary you will also be provided with one night's accommodation at the conference hotel.

We are able to review requests for additional funding on a case-by-case basis, so if you wish to present a joint workshop please contact Maheema Chanrai using the details below prior to engaging a second presenter. Note that if you agree to present more than one workshop we will be more likely to agree to this.

Additional presenters will **not** be funded unless agreed with the HA beforehand and are expected to cover their own conference fees (at concessionary rate), accommodation and travel costs.

Workshop timing

Sessions must stick to a maximum running time, including room set-up/clear-up and questions, of 55 minutes.

The HA is unable to endorse any profit-making organisations at conference. As such, there is a strict no advertising policy. This includes in handouts, PowerPoints and any other resources.
